RE: Production Engineer, June 6, 2021

Dear HR Department,

I saw the news about applying for a Production Engineer position on the SCG public company's web page. I am very interested to apply for this position. My name is Thanaid Johjong. I graduated with a bachelor of Chemical Engineering from Kasetsart University with 2.65 GPA.

I am interesting to work in the management of petroleum production in order to control the quality of the products for the best efficiency and the most cost-effective business. I have ability to plan and take responsibility for effective control and coordination. I can control the production of value of investments and economics in the products, focusing on decrease cost and increasing profits for the company.

I really would like to apply for this position. If you have any questions, please feel free to contact me. I'm looking forward to speaking with you soon. Thank you for your consideration.

Sincerely,

Thanaid Johjong
